

K-LOVE radio is very important to me and my family. We financially support the station which, as you know, is entirely listener supported. We financially support K-LOVE because it provides excellent, uplifting music and programming. In addition, K-LOVE encourages listeners to be good, responsible citizens in their respective communities. For example, for several months, K-LOVE has been reminding and encouraging listeners to register to vote, then to be sure to vote. We listen to it regularly in our vehicles, at our offices, and in our home. Its displacement by an LPFM broadcaster would be a detriment to the community, because there are so few radio stations that provide such wholesome, family-friendly broadcasting. I encourage you to allow the FM translator service that makes K-LOVE possible to remain in place. Thank you for the opportunity to comment on this issue.
